TITLE I SCHOOL DESIGNATION PARENT NOTIFICATION

09-02-2015

Dear Parent(s)/Guardian(s):

The Elementary and Secondary Education Act (ESEA) of 1965 requires that parents or guardians who have children attending a Title I school be notified of how well their school is preparing its students for college and/or a career, as well as the school's designation status under Georgia's ESEA Flexibility Waiver.

Under the 2015 renewal of Georgia's ESEA Flexibility Waiver, certain Title I schools continue to be designated as Reward, Priority, or Focus Schools. The Waiver allows the use of the College and Career Ready Performance Index (CCRPI) as the comprehensive report card for all schools in Georgia, providing a score between 0-100 for each school—measuring how well the school is doing in preparing its students to be successful in college and/or a career.

Shiloh High School CCRPI score for the 2014-2015 school year is currently not available. However, the CCRPI score for 2013-2014 school year was 68.5. Details regarding the CCRPI score can be found at the following link, <http://ccrpi.gadoe.org/2014>.

I am very proud to tell you that **Shiloh High School** has not been given a school designation this year, which means we are a Title I school that is continuing to provide a quality education to all of our students. Based on the 2013-2014 school data, the students performed at met and exceeded in the following areas:

- **9th Grade Literature and Composition EOCT – 88% met and exceeded**
- **American Literature EOCT – 94% met and exceeded**
- **US History EOCT – 83% met and exceeded**
- **Gateway Social Studies – 83% met and exceeded**
- **GHS GT Writing – 98% met and exceeded**

At **Shiloh High School**, we take pride in the teaching we provide for our children. Our teachers and staff members work very hard to meet the needs of all students to ensure they achieve at their highest potential.

An important part of **Shiloh High School's** success is parent participation and support in developing activities to improve student achievement. We hope that you will become involved in our school improvement work as we continue to monitor student achievement and set high expectations. If you are interested in participating in the development of our school improvement plans, being a part of our family engagement team or have questions about how you can better help your child in school, please contact **Alain Love-Davis, Community School Director** at 770-736-4351 or alain_love_davis@gwinnett.k12.ga.us.
